

# Voting Guide To Illinois Medical Marijuana Candidates

Last year, the Illinois Senate passed SB 1381, The Compassionate Use of Medical Cannabis Pilot Program Act. The bill is now pending before the Illinois House of Representatives, which must pass it before the end of the legislative session in January in order for the bill to become law. After that, the governor must then sign the bill into law. Voting for candidates who are pro-medical marijuana will help make that happen.
